in Steel

PRODUCTS OF OUTSTANDING QUALITY
OF THE METAL WORKING DIVISION OF

WUNDERLICH LIMITED

Streamlined Beauty for your KITCHEN

. and lifelong hygienic service too for WUNDERLICH METAL KITCHEN CABINETS and STAINLESS STEEL SINK UNITS are delightfully designed and faithfully built to ensure years of trouble-free and practical service in the work-room of the home.

The cabinets are made from high-grade furniture steel beautifully finished in either CREAM or GREEN oven baked synthetic enamel, are ready for placing in position and are as easily installed in old homes as in new. They provide roomy shelves and drawers for the storage of foodstuffs, kitchen utensils and cleaning equipment, and feature chromium plated door pulls and catches that function smoothly. Made from steel, the cabinets offer no harbourage for vermin, are immune from the attacks of white ants or borers, and are easy to keep clean and spotless—just wipe over with a soft cloth, warm water and soap.

Ask your local Hardware Merchant for further details, or phone MX 2411, write to or call on WUNDERLICH LIMITED, Baptist Street, Redfern, Sydney.

Wunderlich

SINK UNITS

COMBINATION SINK & DRAINER

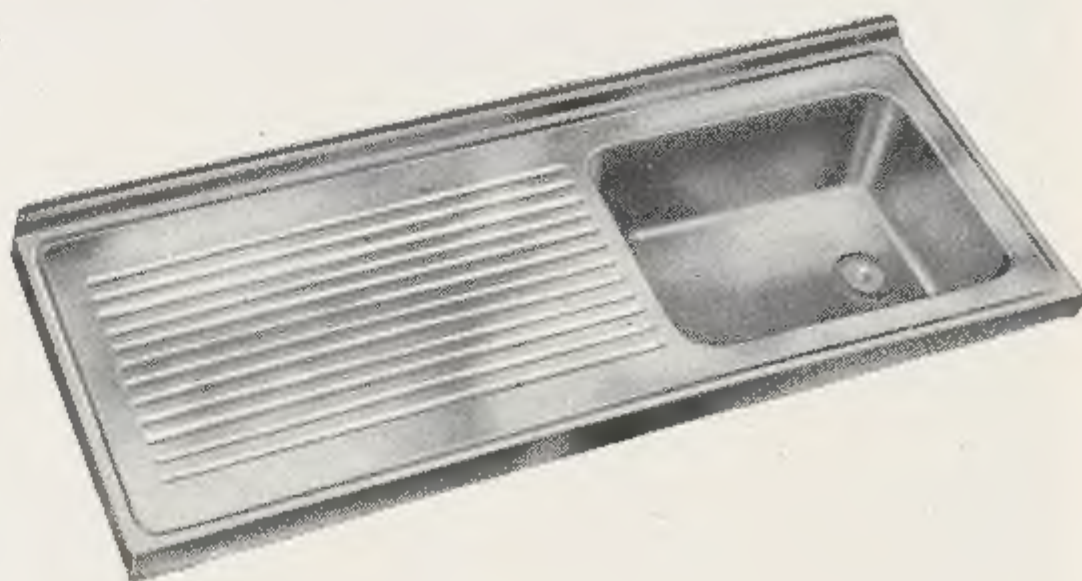

The Wunderlich Sink Unit embraces all of those improvements that ease the task of washing dishes; streamlined corrugated drainers that do drain into the bowl, a large practical size bowl with sloping sides and bottom for rapid discharge of used water, all welded construction and a lustrous smooth "Wunderbrite" finish to the heavy gauge stainless

steel, that is easy to keep clean and spic and span. They are available, ready for installation, complete with nickel plated 2" outlet and plug.

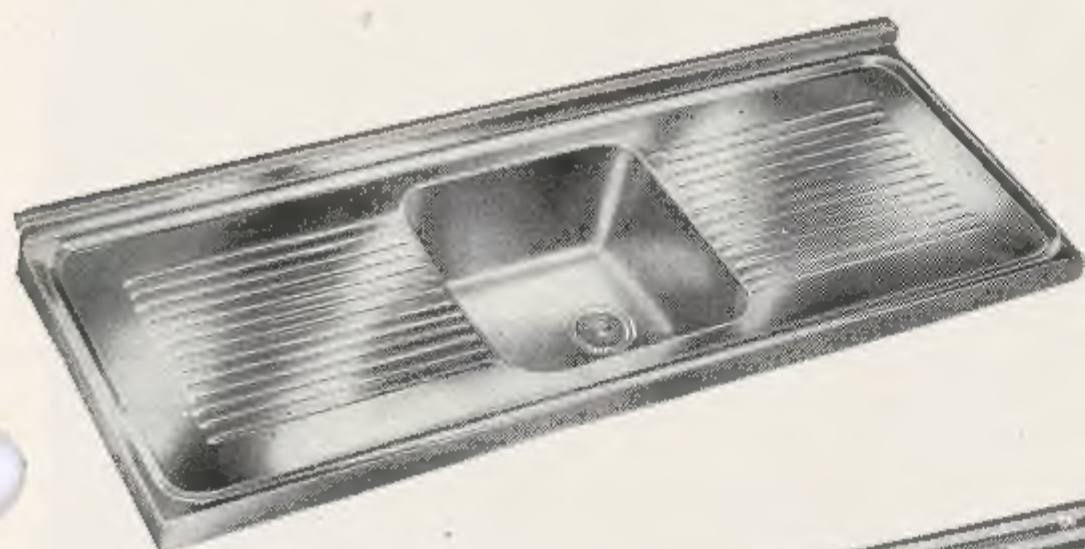

CENTRE BOWL
TYPE "A"

Size 4' 6", 5' and 6' long by 1' 6" wide. Bowl size 18" x 13" x 6½" deep. (5' unit illustrated)

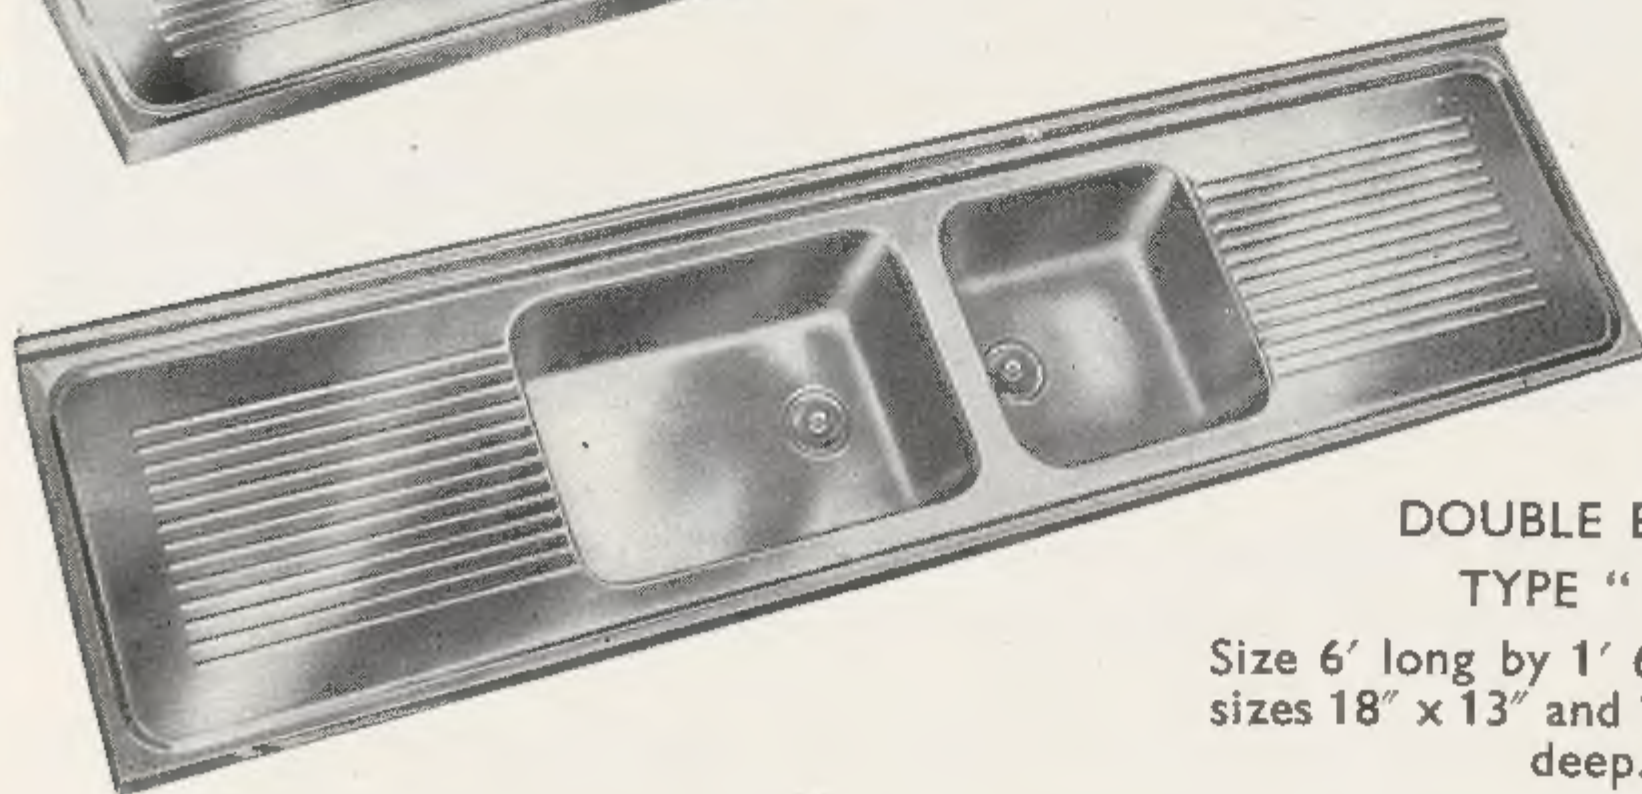

LEFT OR RIGHT HAND BOWL
TYPE "B"

Size 4' long by 1' 6" wide. Bowl size 18" x 13" x 6½" deep. (Right Hand Bowl Illustrated)

CENTRE BOWL
TYPE "C"

Size 4' long by 1' 6" wide. Bowl size 13" x 13" x 6½" deep.

DOUBLE BOWL
TYPE "D"

Size 6' long by 1' 6" wide. Bowl sizes 18" x 13" and 13" x 13" x 6½" deep.

Being securely and rigidly backed with timber, Wunderlich Sink Units are extremely economical to instal in new or old homes, for when placed over cupboarding special timber framing is unnecessary. For those who prefer unbacked units, 4', 4' 6" and 5' centre bowl type are available without timber backing.
